

agile testing istqb tester pdf

TestPRO for Software Testing Services. TestPRO is an independent testing service provider. That can fulfill the majority of the test delivery, that can be carried out on-site and deliver the cost saving that only a dedicated test center can provide.

TestPRO | Software Testing Services

State transition testing is used where some aspect of the system can be described in what is called a "finite state machine". This simply means that the system can be in a (finite) number of different states, and the transitions from one state to another are determined by the rules of the "machine".
