my teaching in human resource management and supervision of studentsâ€™ dissertations, I have been sharing notes with my students and I have, in the process, learned a lot. Thank you very much.

Fundamentals of human resource management

Human resource management â€œ the management of the people and the staff policies and practice that enable an organization to carry out its work. This affects staff from the moment an individual contacts the organization in response to a job advertisement, to the time they leave the organization. Human resource management is about enabling staff to use their qualities in order to fulfill their ...
