Decoupling social status and status certainty effects on

The association between social anxiety and reduced certainty in negative attribute ratings was evident after controlling for depression, general anxiety, stress, and the extent to which negative attributes were endorsed as being self-descriptive. Results are discussed in terms of the potential role that reduced self-concept certainty may play in social phobia.

The impact of involvement, perceived availability, certainty, perceived consumer effectiveness (PCE),

values, and social norms on consumers' attitudes and intentions towards sustainable food products is analyzed.

Journal of Agricultural and Environmental Ethics (2006) 19

Social constructionism has many roots - some are in existential-phenomenological psychology, social history, hermeneutics and social psychology (Holstein & Miller 1993, Watzlawick 1984). Several of its major themes have occurred in the writings of authors at different times and places.

Social constructionism and the theory, practice and

Certainty as a social metaphor What can we be said to know absolutely, without doubt? Certainty, as the author points out in his introduction, is conceived of as the "hard core" of knowledge and cognition, the central aspect of the cognitive process.
