Effluents from alternative demilitarization technologies

In early 1992 the Committee on Alternative Chemical Demilitarization Technologies was formed by the National Research Council to investigate potential alternatives to the baseline technology. This book, the result of its investigation, addresses the use of alternative destruction technologies to replace, partly or wholly, or to be used in addition to the baseline technology. The book considers ...

Gas Effluents | Alternative Technologies for the

Alternatives for Chemical Munitions Demilitarization Darren Dalton, Raymond Malecki, Joseph Mashinski, James Richmond and Scott Susman Environmentalists, community members, scientists and regulatory agencies have long debated the U.S. Army's use of incineration to destroy the Nation's chemical weapons stockpile. This debate grew more intense over time, and the Army organization ...
