fraud of the century pdf

Electoral fraud, sometimes referred to as election manipulation or vote rigging, is illegal interference with the process of an election, either by increasing the vote share of the favored candidate, depressing the vote share of the rival candidates, or both.

Electoral fraud - Wikipedia

Cooping was a form of electoral fraud in the United States during the 19th century by which unwilling participants were forced to vote, often several times over, for a particular candidate in an election.
