

globalization from the bottom pdf

Globalization or globalisation is the process of interaction and integration among people, companies, and governments worldwide. As a complex and multifaceted phenomenon, globalization is considered by some as a form of capitalist expansion which entails the integration of local and national economies into a global, unregulated market economy. ...

Globalization - Wikipedia

Economic globalization is one of the three main dimensions of globalization commonly found in academic literature, with the two others being political globalization and cultural globalization, as well as the general term of globalization. Economic globalization refers to the widespread international movement of goods, capital, services ...

Economic globalization - Wikipedia

The debate over the positive and negative effects of globalization is a hot topic for many individuals, agencies, organizations and government departments who find themselves in a position to defend or attack the current globalization trends.
