The Economic and Social Impact of Colonial Rule in India ... things which happened after 1947. However, India would probably not have fared as well as Meiji Japan, because the fiscal leverage of government would have been smaller, zeal for mass education less, and religious and caste barriers would have remained as important constraints on productivity. Establishment of a New Westernized Elite ...

Abstract. Background: While the issue of sex imbalance in South Asia is well recognised, less is known about its social patterning. Social patterning in the proportion of sexes was investigated among infants in India before and after the implementation of the Pre-Natal Diagnostic Techniques (PNDT) Act in 1996.
