

### **introduction to socialism pdf**

What Is Socialism? (A slightly enlarged version of a talk given to a group of students in 1991 by Ray Nunes, late Chairman WPNZ) There is great confusion in the world today over this question.

### **What Is Socialism? - Marxists Internet Archive**

This introduction to socialist thought is by two men perhaps better qualified than any other Americans to have written it. Leo Huberman and Paul Sweezy, founding editors and publishers of the independent socialist magazine Monthly Review, built an impressive reputation as keen observers, acute analysts, and lucid writers on the world and domestic scenes. In this book, they present in clear and direct language the basic elements of the socialist critique of capitalist society.
