Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's ...

English is a West Germanic language that was first spoken in early medieval England and eventually became a global lingua franca. Named after the Angles, one of the Germanic tribes that migrated to the area of Great Britain that would later take their name, England, both names ultimately deriving from the Anglia peninsula in the Baltic Sea.
