Introduction. With the proliferation of digital photography, people have now started to look at ways to recreate what film has done for them, including recreating a black and white photo.

### **How to Convert Color Digital Images into Black and White Ones**

Yesterday I asked "when is the best time to buy a digital camera?" Today I want to turn our attention to how to buy a digital camera. I'm not going to talk you through all the different features on a digital camera or tell you which models are best (something that is really quite individual and which changes regularly over time) however ...
