that the names Morson and Dawson continue to be incorporat-ed into the title of the book, and we are especially grateful to Dr Basil Morson for his unfailing interest and encouragement, and for honouring us by writing the foreword to this edition. The overall structure of this fourth edition is similar to the last three, in that diseases are considered in relation to the anatomical regions of ...

Morson and Dawson's Gastrointestinal Pathology

I am aware however that my personal outlook is not that of most individuals who will purchase this volume so I am probably being over critical. It is, after all, quintessentially a bench book, and excellent at that.
