Power, Resistance and Liberation in Therapy with Survivors

The idea of "resistance" provides a primary framework for the critical project of postcolonialism. Resistance is a continual referent and at least implicit locus of much postcolonial criticism and theory, particularly in terms of the analysis of the failure, or deferral, of liberation in Africa, South Asia, and the Caribbean.

Postcolonial Resistance: Culture, Liberation, and

(pdf) people power in the era of global crisis: rebellion , this article examines the relationship between oppression, injustice, and liberation both theoretically and practically and in relation to contemporary global events and political history.
