privacy means profit prevent pdf

The right to privacy is an element of various legal traditions to restrain governmental and private actions that threaten the privacy of individuals.

Right to privacy - Wikipedia

In economics, profit in the accounting sense of the excess of revenue over cost is the sum of two components: normal profit and economic profit. Normal profit is the profit that is necessary to just cover the opportunity costs of the owner-manager or of the firm's investors.

Profit (economics) - Wikipedia

Legal duties of boards, committees and office holders. The law recognises that committee members (or directors) as well as some office holders in not-for-profit groups make important decisions about the strategic direction and activities of a group.

Governance and legal duties of office holders | Not for

As Web companies and government agencies analyze ever more information about our lives, itâ€™s tempting to respond by passing new privacy laws or creating mechanisms that pay us for our data.
