Drawing from the author's extensive teaching experience, this book introduces students to basic insurance concepts from the consumer's point of view and equips them with the tools to make intelligent, informed insurance purchasing decisions.

Introduction to Risk Management and Insurance - Pearson

RISK AND INSURANCE I. INTRODUCTION People seek security. A sense of security may be the next basic goal after food, clothing, and shelter. An individual with economic security is fairly certain that he can satisfy his needs (food, shelter, medical care, and so on) in the present and in the future. Economic risk (which we will refer to simply as risk) is the possibility of losing economic ...
