

social and behavioral aspects pdf

The majority of research on the retirement decision has focused on the health and wealth aspects of retirement. Such research concludes that people in better health and those enjoying a higher socioeconomic status tend to work longer than their less healthy and less wealthy counterparts.

Behavioral and Psychological Aspects of the Retirement

The social aspects of television are influences this medium has had on society since its inception. The belief that this impact has been dramatic has been largely unchallenged in media theory since its inception.
