Digital marketing is going to change drastically in 2019. And sadly, you aren't going to like a lot of the changes. And no, I don't mean change from a competition standpoint. You already know that each year marketing gets more expensive and more competitive. That's just a given. Just look at the graph above: that's [!]

Background. The practice of fracturing reservoir rock in the United States as a method to increase the flow of oil and gas from wells has a relatively long history and can be traced back to 1858 in Fredonia, New York, when a gas well situated in shale of the Marcellus Formation was successfully fractured using black powder as a blasting agent.
