The History of Africa Tore Linn Eriksen Introduction The history chapter in the previous edition of Studying Africa included books published up to 2004. Since then, the literature on the history of Africa has grown considerably in both scope and quality, and many new themes have appeared. This is the starting point for the chapter that follows, which is devoted to books on the history of ...

The Relationship between Africa and the UN FES New York Conference Report June 2008 2 1111 Introduction Introduction The current relationship between the United Nations (UN) and Africa seems paradoxical: while there may be a lot of talk about Africa, there is not so much talk with Africa and even less so of Africa itself and its role at the UN. Historically, this bond has undergone several ...
