

### **the crossover year pdf**

Crossover is a term applied to musical works or performers who appeal to different types of audience, for example (especially in the United States) by appearing on two or more of the record charts which track differing musical styles or genres. If the second chart combines genres, such as a "Hot 100" list, the work is not a crossover.

Definition. A crossover is a vehicle with SUV styling features that is based on a passenger car platform. The early crossovers resembled small SUVs or large wagons. Crossovers have ride, handling, performance and fuel economy characteristics similar to cars and are only intended for light off-road use.
