Like marriage, divorce in the United States is under the jurisdiction of state governments, not the federal government. Divorce or "dissolution of marriage" is a legal process in which a judge or other authority dissolves the bonds of matrimony existing between two persons, thus restoring them to the status of being single and permitting them ...

Many years ago, the myth began to circulate that if parents are unhappy, the kids are unhappy, too. So divorce could help both parent and child. "What's good for mom or dad is good for the children," it was assumed. But we now have an enormous amount of research on divorce and children, all pointing
