

the end of expressionism pdf

German Expressionism consisted of a number of related creative movements in Germany before the First World War that reached a peak in Berlin during the 1920s.

German Expressionism - Wikipedia

Abstract expressionism is a post-World War II art movement in American painting, developed in New York in the 1940s. It was the first specifically American movement to achieve international influence and put New York City at the center of the western art world, a role formerly filled by Paris.
