The evolution of business strategy over the past 50 years has been significantly influenced by two general approaches: Structure-Conduct-Performance and the Resource-Based approach .

The Evolution of Business Strategy

The Evolution of International Society is a major contribution to international theory, and to our understanding of how relations between states operate. Current interest in international order and the hegemonial authority, and the renewed concern with history in political science, make this a timely book. A stunning success. Watson's book is a masterful piece of theoretical and ...
