

the god conflict faith pdf

The conflict thesis, which holds that religion and science have been in conflict continuously throughout history, was popularized in the 19th century by John William Draper's and Andrew Dickson White's accounts.

Relationship between religion and science - Wikipedia

In the Bahá'í Faith, faith is meant, first, conscious knowledge, and second, the practice of good deeds, ultimately the acceptance of the divine authority of the Manifestations of God. In the religion's view, faith and knowledge are both required for spiritual growth. Faith involves more than outward obedience to this authority, but also must ...
