Summary. Rabies has one of the highest case-fatality ratios of any infectious disease. This report provides recommendations for public health officials, veterinarians, animal control officials, and other parties engaged in rabies prevention and control activities and should serve as the basis for standardizing procedures among jurisdictions.

Compendium of Animal Rabies Prevention and Control, 2011

Since September 2013, we have published regular commentaries on rail statistics under eight themes – including performance and safety. These releases are designed to help the user interpret the data and are accredited National Statistics.
