

**the great inequality of pdf**

Educational inequality is the unequal distribution of academic resources, including but not limited to; school funding, qualified and experienced teachers, books, and technologies to socially excluded communities.

**Educational inequality - Wikipedia**

Racial inequality in the United States refers to social advantages and disparities that affect different races within the United States. These inequities may be manifested in the distribution of wealth, power, and life opportunities afforded to people based on their race or ethnicity, both historic and modern.
