The term Great Work (magnum opus) is a term used in Hermeticism and in certain occult traditions and religions such as Thelema. The Great Work signifies the spiritual path towards self-transcendence in its entirety. This is the process of bringing unconscious complexes into the conscious awareness, in order to integrate them back into oneself.

Since then this place is called Pytho (=putrefaction). Putrefaction is the first phase of the great Work. The dead dragon undergoes a transmutation. The dead dragon is not an end, but the beginning of the Great Work. From the dead dragon, vapors and volatile substances arise, often seen in alchemical images. In other terms, the earth is partly being transformed into water, it ascends as vapor.
