Literature and society in the Old English period ... It is common to divide the history of English into three periods and old, a middle and an early modern one. The justification for this is partly external and partly internal. The Old English period begins in the middle of the 5th century with the coming of Germanic tribes to settle in England. The Middle English period begins with the ...

In today's episode of the History of Literature, Jacke and Mike look at a contemporary classic story, Jhumpa Lahiri's "The Third and Final Continent." Along the way, they discuss the tropes of immigrant fiction, the pros and cons of epiphany stories, and whether a story is a "city" or "an old friend." (Yes, that's another one of Mike's special theories.)
