Holy Wells have been objects of absorbing interest from time immemorial, and this book, reprinted due to high demand as an attractive paperback, provides a reliable collection of material relating to those of Wales culled from a wide range of published, manuscript and oral sources. In the first part of his work the author stresses the unity of the well-cult, and offers an interpretation of the ...

A holy well or sacred spring is a spring or other small body of water revered either in a Christian or pagan context, sometimes both. The term holy well is commonly employed to refer to any water source of limited size, which has some significance in the folklore of the area where it is located, whether in the form of a particular name, an associated legend, the attribution of healing qualities to the water through the numinous presence of its guardian spirit or Christian saint, or a ceremony or

The Ordnance Survey has cut down on the number of holy wells and springs which it includes on its most commonly used series of maps (the 1:50,000 Landranger series) especially in areas where holy wells are thick on the ground. Unless you buy the more expensive 1:25,000 Pathfinder series, whose larger scale

provides the space to include many more, you can pass within a few hundred yards of a ...

### **The folklore of british holy wells - White Dragon**

Holy wells are water sources with specifically Christian associations. The custom of venerating springs and wells as sacred sites is also known to have characterised pre-Christian religions in Britain and, although Christian wells have been identified from as early as the 6th century AD, it is clear that some holy wells originated as earlier sacred sites. The cult of holy wells continued ...
