

the human body language pdf

expert on body language. His book *Why Men Don't Listen And Women Can't Read Maps* co-authored with wife Barbara, has sold over 10 million copies in 48 languages since its release. Allan travels the world lecturing on human communication, has written 8 other bestselling books and appeared in his own television series which attracted over 100 million viewers.

Allan are the internationally renowned experts in human

This book isolates and examines each component of body language and gesture, though few gestures are made in isolation from others; I have at the same time tried to avoid oversimplifying. Non-verbal communication is, however, a complex process involving people, words, tone of voice and body movements.
