

the learner centred curriculum pdf

Student-centered learning, also known as learner-centered education, broadly encompasses methods of teaching that shift the focus of instruction from the teacher to the student.

Student-centred learning - Wikipedia

"If a child can't learn the way we teach, maybe we should teach the way they learn." Ignacio Estrada . Introduction. Given the pivotal role of learner-centred instruction in realising the set goals for History and Social Sciences, it is essential to explain how this teaching and learner-centred approach has been viewed over time.
