The wheel of life is a tool coaches use to get a snapshot of how satisfied a client is in their life. There are eight areas on the wheel. You may want to change the categories to reflect the areas of your life. For example: The client may choose to break the category of friends and family into two separate categories. The client may wish to add a category. 2. Ask the client to rate their level ...

A Social Work Perspective on Life Story Work and Life Story Books What to do and how to begin My experience with life story work and creating books comes from my work as a social worker where I don't have the intimate understanding and knowledge of a child that a parent has. The bonus of no personal history with the child is that I have found it can be a freeing experience for them to ...
