

the long flight a pdf

In aviation, the flight length is defined as the distance of a flight. Commercial flights are often categorized into long-, medium- or short-haul by commercial airlines based on flight length, although there is no international standard definition and many airlines use air time or geographic boundaries instead.

Flight length - Wikipedia

This article contains an enumeration of examples, but lacks a general overview of its topic. ... A non-stop flight is a flight by an aircraft with no intermediate stops
