Magic may refer to: Magic (supernatural), a set of beliefs and practices distinct from religion and science; Magic (illusion), the art of appearing to perform supernatural feats

### **Magic - Wikipedia**

The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials!
